Sub: For grant of Scholarship to me

Respected Sir,

I humbly beg to state that, as your kind self is aware, I have been successfully graded in NCISM-NEET for SR-UG and got admission in your esteemed Chagpori Tibetan Medical Institute (CTMI). I am attaching a copy of the NEET CERTIFICATE in the attachment for your kind reference (Annexure-1). I have also cleared NEET in the year 2018 a copy of which is attached for you ready reference (Annexure-2).

After completing my 12th in PCMB group, as I was keenly desirous to study Tibetan Medicine, I went to Sahara institute for one year taking the course: Basic Tibetan Language for Foreigners from July 2019 to May 2020. Thereafter, I was in Mentseekhang, GangchenKyishong, Dharamsala, for another year studying Tibetan Language for six months and basic Tibetan medical subjects for another six months.

I belong to a poor family, living in Pune, Maharashtra and hence we cannot bear the fees for my education at your Institute. For your kind reference, if they are needed, I am attaching a copy of the CASTE CERTIFICATE (Annexure-3) and the CERTIFICATE OF VALIDITY, for your kind consideration (Anexure-4).

I am trying to get scholarship from the Indian Govt, New Delhi, for which I have written to the Hon'ble Minister of AYUSH. However, in case I am not able to get scholarship from the Central Govt, I would like to request you to kindly consider for a provision of a scholarship with the conditions as per the rules of your institute.

Hence, I humbly request your kind self to kindly grant a scholarship to me as I am keenly interested to be a professional practitioner of Sowa-Rigpa to benefit the ailing people.

With respectful regards

Your Sincerely

Pradnya Anil Gaikwad
